

## Federal Fightback Congressional District Fact Sheet

# REP. BRENDAN BOYLE

## PA's 2<sup>nd</sup> Congressional District

*In Congressional District 2:*

**348,276**

people are on Medicaid

**248,692**

rely on SNAP to help put food on the table

*In all of Pennsylvania:*

**2.98 Million**

people are on Medicaid

**2.01 Million**

rely on SNAP to help put food on the table

### *Under the Republicans' plan to cut Medicaid and SNAP...*

*In Congressional District 2:*

**62,393**

will have their Medicaid access stripped away

between

**50,011 – 137,531**

will be cut off from SNAP benefits

*In all of Pennsylvania:*

**538,000**

will have their Medicaid access stripped away

between

**400,000 – 1.1M**

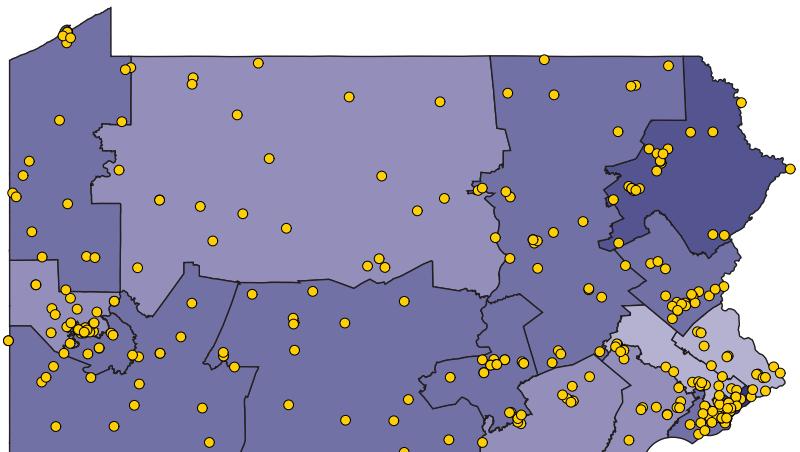

will be cut off from SNAP benefits

\*estimates as of 6/17/2025 based on the House-passed reconciliation bill

**Slashing Medicaid funding could force hospitals to close.**

Almost two-thirds of Pennsylvanians will benefit from Medicaid at some point in their lives.

Yellow dots show hospitals in each district. Many of these hospitals, *especially in rural areas*, may close if Medicaid is deeply cut.

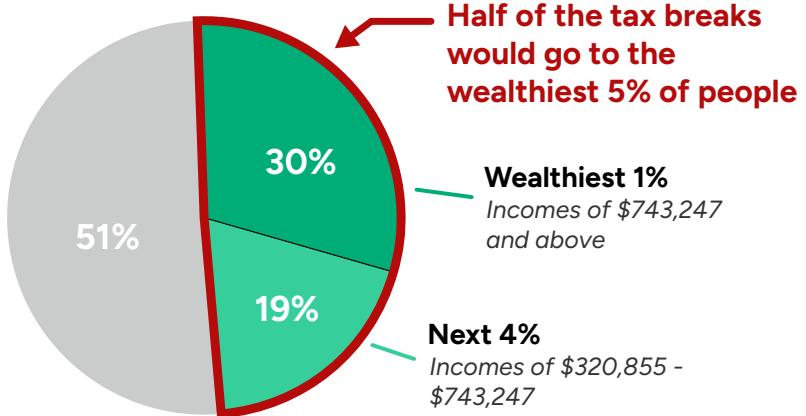

Percentage of Pennsylvanians in each congressional district who receive Medicaid at any one time.

Legend: Dark Blue = Above 30%, Medium Blue = 20% - 25%, Light Blue = 10% - 15%, Yellow = Hospitals  
Yellow = Hospitals  
Dark Blue = Above 30%, Medium Blue = 20% - 25%, Light Blue = 10% - 20%

**The Republicans are proposing to cut Medicaid and SNAP to offset the cost of extending and expanding Trump's 2017 tax giveaway to corporations and the ultra-rich.**

Half of the tax benefits would go to the richest 5%.

**Voters in Pennsylvania want to raise taxes on the rich – not cut them.**

Voters in Congressional District 2 overwhelmingly want the rich to pay more in taxes and larger tax credits for working families...

Likely Voters in Congressional District 2 Response	Topline
Profitable corporations are not paying enough in state taxes.....	82%
The wealthiest households are not paying enough in taxes.....	82%
Taxes should be increased for households earning more than \$400,000/year	82%
Child tax credits should be increased.....	78%

...and voters across Pennsylvania agree.

Likely Voters in Pennsylvania Response	Topline
Profitable corporations are not paying enough in state taxes.....	76%
The wealthiest households are not paying enough in taxes.....	76%
Taxes should be increased for households earning more than \$400,000/year	77%
