

## Federal Fightback Congressional District Fact Sheet

# REP. ROB BRESNAHAN

## PA's 8<sup>th</sup> Congressional District

*In Congressional District 8:*

**208,181**  
people are on Medicaid  
**145,913**  
rely on SNAP to help put  
food on the table

*In all of Pennsylvania:*

**2.98 Million**  
people are on Medicaid  
**2.01 Million**  
rely on SNAP to help put  
food on the table

### *Under the Republicans' plan to cut Medicaid and SNAP...*

*In Congressional District 8:*

**37,295**  
will have their Medicaid  
access stripped away

between  
**29,343 – 80,693**  
will be cut off from  
SNAP benefits

*In all of Pennsylvania:*

**538,000**  
will have their Medicaid  
access stripped away

between  
**400,000 – 1.1M**  
will be cut off from  
SNAP benefits

\*estimates as of 6/17/2025 based on the House-passed reconciliation bill

**Slashing Medicaid funding  
could force hospitals to  
close.**

Almost two-thirds of  
Pennsylvanians will benefit  
from Medicaid at some point  
in their lives.

Yellow dots show hospitals in each  
district. Many of these hospitals,  
**especially in rural areas**,  
may close if Medicaid is deeply cut.

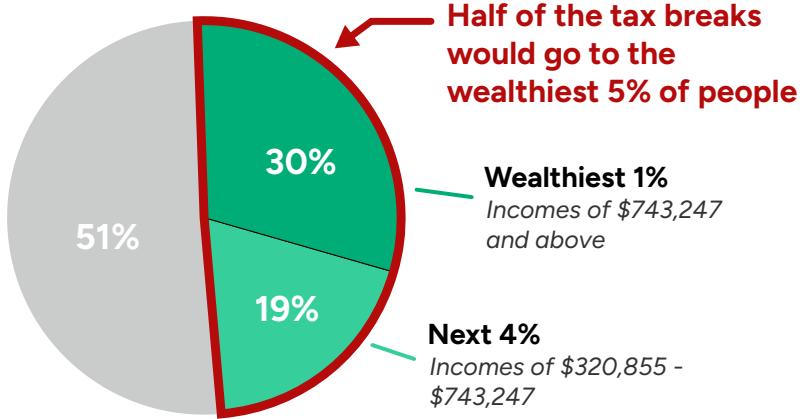

Percentage of Pennsylvanians in each congressional district  
who receive Medicaid at any one time.

■ Above 30% ■ 20% - 25% ■ 10% - 15% ■ Hospitals  
■ 25% - 30% ■ 15% - 20%

**The Republicans are proposing to cut Medicaid and SNAP to offset the cost of extending and expanding Trump's 2017 tax giveaway to corporations and the ultra-rich.**

Half of the tax benefits would go to the richest 5%.

*"The Cost and Distribution of Extending Expiring Provisions of the Tax Cuts and Jobs Act of 2017."*

**Voters in Pennsylvania want to raise taxes on the rich – not cut them.**

Voters in Congressional District 8 overwhelmingly want the rich to pay more in taxes and larger tax credits for working families...

Likely Voters in Congressional District 8 Response	Topline
Profitable corporations are not paying enough in state taxes.....	78%
The wealthiest households are not paying enough in taxes.....	78%
Taxes should be increased for households earning more than \$400,000/year	79%
Child tax credits should be increased.....	71%

...and voters across Pennsylvania agree.

Likely Voters in Pennsylvania Response	Topline
Profitable corporations are not paying enough in state taxes.....	76%
The wealthiest households are not paying enough in taxes.....	76%
Taxes should be increased for households earning more than \$400,000/year	77%
Child tax credits should be increased.....	72%
