Slashing Medicaid funding could force hospitals to close.

Almost two-thirds of
Pennsylvanians will benefit
from Medicaid at some point
in their lives.

Yellow dots show hospitals in each
district. Many of these hospitals,
especially in rural areas, may
close if Medicaid is deeply cut.

Percentage of Pennsylvanians in each congressional district
who receive Medicaid at any one time.

■ Above 30% ■ 20% - 25% ■ 10% - 15% ● Hospitals
■ 25% - 30% ■ 15% - 20%

The Republicans are proposing to cut Medicaid and SNAP to offset the cost of extending and expanding Trump's 2017 tax giveaway to corporations and the ultra-rich.

Half of the tax benefits would go to the richest 5%.
